### Pentagon Memorial Competition Programs Now Available

The requirements and procedures for entering the first stage of the competition to select a Pentagon Memorial artistic concept have been released. The competition program is now accessible on the competition web site, <http://memorialcompetition.pentagon.mil/>.

Those unable to download the program should call the dedicated competition number, 1-866-782-4383 (toll free in the United States), and a packet of information will be mailed.

The open competition is structured in two stages. Any individual or team may enter. Deadline for submissions is Sept. 11, 2002.

The memorial will be built on the grounds of the Pentagon near the impact site to honor the victims of the Sept. 11, 2001, attack on the Pentagon. For general information about the Pentagon Memorial project, visit the project web site, <http://pentagonmemorial.nab.usace.army.mil/>.

### Bulletin Publication Change

With the establishment of an ERDC-wide Information Bulletin, which will be published every 2 weeks, individual site Bulletins will now be published in the “off” weeks. Please keep this in mind when submitting articles and information for the site Bulletin. The next Alexandria Site Information Bulletin will be published on Aug. 8.

### Commander's Mailbox

ERDC team members are reminded that an electronic mailbox has been established to allow employees to send questions and/or comments to the Commander. If an employee wishes to remain anonymous, his or her name will be deleted from the question before it is forwarded to the Commander for comment. Employees' questions will be answered via return e-mail. Answers to anonymous and frequently asked questions will be posted in the Employee Information Bulletin.

The address in Outlook is, “ERDC Commander.” Again, all information is kept strictly confidential and all questions are addressed directly by the Commander.
